empowering women and strengthening pdf

The term empowerment refers to measures designed to increase the degree of autonomy and self-determination in people and in communities in order to enable them to represent their interests in a responsible and self-determined way, acting on their own authority.

Empowerment - Wikipedia

Economic empowerment is, to be sure, a crucial aspect of any significant push to make women full and equal participants in their communities. Strengthening the economic role of women is also critical to reducing poverty, improving health and education outcomes, and achieving other broad development goals. 4 And the programs created by ...
