British Council, 2018. – 50 p. Aptis is an innovative global English assessment tool from the British Council. It is an English test for adults and young adults, which can be used to assess English language ability in all four skills – reading, writing, listening and speaking.

### **Introduction**

Students are led through a series of activities to create profiles for imaginary characters who live in the same neighbourhood. The lesson then brings these characters together at a neighbourhood party, where students can practice asking and answering simple questions about work, family, hobbies and so on.
