through his creation of Equus, a god that takes the form of a horse. Though the people around him characterize his activities as perverse, and his religion eventually leads to the horrific blinding of six horses, Alan is able to feel a passion that no other person in the play has felt before. Psychiatrist Martin Dysart, in treating Alan, actually comes to feel jealous of the boy's obsession ...

consider that *Equus* is a play predicated on the dichotomy of deviance and normalcy, it becomes apparent that Shaffer's reference to "the communal imagination of an audience" invites us to redefine the nature and function of the communality of the theatrical audience. Further, it provides us with a point of departure toward understanding why *Equus* is the play that it is—a play in which the ...
