Political Leadership in the Transformation of Societies: F

A model of political leadership Kevin Morrell and Jean Hartley ABSTRACT In this article we develop a model of political leadership. In doing so, we analyse the challenges facing political leaders in local government

A model of political leadership - Control Panel

Political leadership is a concept central to understanding political processes and outcomes, yet its definition is elusive. Many disciplines have contributed to the study of leadership, including political theory, history, psychology and management studies. Political Leadership reviews the contributions of these disciplines along with a discussion of the work of classic authors such as Niccolo Machiavelli, Max Weber and Robert Michels.

Find information on the political leadership of the European Commission, the role of the 28 Commissioners, how they are appointed, and their different policy priorities.

Political leadership | European Commission

Political Leadership. Leadership is a staple of the other social sciences but it has been relatively neglected in the political mainstream even though there are many distinguished studies (dating back to the time of Machiavelli) of political leadership.

Political Leadership | The Political Studies Association (PSA)

Leadership is one of the principal interests of the social sciences. Drawing on psychology, sociology, anthropology and business studies as well as philosophy and history, this four-volume collection focuses on democratic leadership in the political sphere.

Political Leadership | SAGE Publications Ltd

CHAPTER 7: THE PRINCIPLE OF LEADERSHIP The wise shall lead and rule, and the ignorant shall follow. PLATO. Certain objections 1 to our interpretation of Plato's political programme have forced us into an investigation of the part played, within this programme, by such moral ideas as Justice, Goodness, Beauty, Wisdom, Truth, and Happiness. The present and the ...
