

fun with kites 10 pdf

Kites were invented in Asia, though their exact origin can only be speculated. Many early sources point to China. In China, materials ideal for kite building were readily available including silk fabric for sail material; fine, high-tensile-strength silk for flying line; and resilient bamboo for a strong, lightweight framework.

April was chosen as National Kite Month because it was the month that perfectly symbolized hope, potential, and joy. As the first month in Spring, it is when most kite fliers are starting to bring their kites out of the closet and prepare for a summer on the beach.

National Kite Month: April 1st â€“ 30th, 2018

Kites are normally heavier than their supporting medium, such as a kite flown in air. Some kites have their lift augmented by lighter than air gases, allowing the kite to remain airborne without wind or being towed.
