Kim Jong-un has accelerated North Korea's build-up of nuclear and other weapons of mass destruction, while also modernizing its large conventional force.

What Are North Korea's Military Capabilities?

This is a list of weapons served individually by the United States armed forces, sorted by type and current level of service. While the general understanding is that crew-served weapons require more than one person to operate them, there are important exceptions in the case of both squad automatic weapons (SAW) and sniper rifles.
