Classical guitar demands that we build many skills at the same time. We need to learn to read music, learn proper technique, learn common right hand patterns, weird vocabulary, and a host of other things.

## **Why (and How to) Learn Classical Guitar Chords**

In elementary piano, the left hand (lower notes) typically plays chords, while the right hand plays the melody. If you're playing pop or rock and singing, you might want to play the chords with the right hand and the bass note of each chord with the left hand.
