WAR is a racket. It always has been. It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives. A racket is best described, I believe, as something that is not what it seems to the majority of the people. Only a small "inside" group knows what ...

words in their writing, are ways to deepen understanding. One way to support and develop writing is by having students consider how to incorporate "Wow" words into their written work. For example pointing out how using a more vibrant word than "said", in their creative writing means the reader gets a greater understanding of a character or situation. Using "Wow" words students can ...

WORDS WAR OF WORDS IV. CONCLUSION "Because of the Fall God's good purpose for our words has been perverted, so that we use words as weapons and as tools of rebellion. The claim that we can solve communication problems by changes in technique is a lie, a heresy from hell. The problem with our talk is deeper than technique. It is a heart issue that originated with the Fall. V ...
