Documents used in researching this project - Catnaps design

Islamic studies refers to the study of Islam. Islamic studies can be seen under at least two perspectives: From a secular perspective, Islamic studies is a field of academic research whose subject is Islam as religion and civilization.

Islamic studies - Wikipedia

A brief survey of calligraphy on coins explores a field of islamic art which is hardly known although often admired, and commentary is sometimes given on the calligraphy of single issues. The art of writing on coins established itself at the moment when the Qur'anic message became an iconic symbol of Islam and its empire.
